

April 2008

Dear Friend of Lock Haven University:

You are invited to an Open House at Red Rose Indoor Arena (RRIA) on May 31st from 11 AM – 2 PM. This event will launch a new partnership between Red Rose Indoor Arena and Lock Haven University (LHU).

In 2007, the owners of Red Rose Indoor Arena located in Lancaster, PA began discussions with LHU to create a partnership between the two entities. This past October, the Lock Haven University Foundation voted to approve the partnership and following the Open House on May 31st, LHU will host 6 weeks of camps and other programming beginning on June 9th. Camps will include a soccer starter camp, junior camp, elite camp, and team camp as well as camps in Lacrosse, Field Hockey, and Football. Proceeds will benefit LHU scholarship support especially for the men's and women's soccer programs. The six week period will usher in a more comprehensive partnership package in the future.

The owners of Red Rose Indoor Arena are LHU alumni. They have provided this opportunity in order to promote LHU in Lancaster County. In addition to the six weeks of programming, the LHU Admissions Office currently houses an admissions reception area within the facility and will host admissions events there as well.

Please plan on visiting on May 31st to meet LHU coaches, alumni and friends as well as learn more about the partnership. For more information about the camps, please visit

Benefits of the partnership to LHU include scholarship support for men's and women's soccer programs at LHU; internship opportunities for various majors including recreation management, sports administration, business, athletic training; recruiting tool in central PA for admissions and athletics; location for camps and other events in Lancaster County, and increased state-wide partnerships.

Again, I hope you will plan on meeting with Lock Haven University during the Open House at the Red Rose Indoor Arena on May 31st from 11 AM – 2 PM.
